Our Product Introduction

Product Description

Akadama rose vines, also known as artificial climbing roses, are beautiful and versatile decorative items inspired by the beauty of nature that bring elegance and charm to any space. Available in pink, champagne and red, it creates a charming visual effect, as if you are in an idyllic setting.

Realistic Appearance:

Rose vine artificial uses silk to carefully craft flowers and leaves, truly reproducing the beauty of roses. Each petal is meticulously designed with the intricate textures and vibrant colors of a real rose. Soft pinks, champagne and reds add romance and sophistication to the environment, creating a visually appealing feel.

Durable and Long-lasting:

Artificial rose vines are made of high-quality silk material, ensuring that the flowers and leaves remain beautiful for a long time, are not easy to wither or fade, and do not require frequent maintenance.

Flexible Decoration:

The artificial rose flower vine design is very flexible and suitable for various decorative purposes. Its pastoral style is perfect for wall hanging floral arrangements. Whether used in a home, office, event space, or other space, vines add natural beauty and warmth to the environment. Its flexible structure allows it to be easily shaped and hung on walls, arches or other surfaces, creating an attractive and personalized display.

Elevate the ambience:

Artificial rose flower vine brings a sense of elegance and serenity to any environment. Whether decorating a living room wall, beautifying a wedding venue or enhancing the ambience of a garden party, vines create a stunning display of romance and natural beauty.
