## Product Description

This multi-floral conference table bouquet is the perfect blend of reality and fiction, ideal for reception decorations and floral arrangements. Its diverse floral combinations present a rich style that is suitable for various business environments, from conference rooms to receptions, creating a professional and unique atmosphere.

The customizable size and color of the Artificial flower for meeting table enables it to meet the needs of different business scenarios, not only injecting life into the workplace, but also showing taste and quality. This faux bouquet is a perfect reception floral arrangement to enhance a business space.

High-quality silk fabric, realistic effect, natural blending

There is a plastic flower holder on the back of the flower arrangement, which is waterproof and durable.
