Product Description

The flowers are made of soft silk with a fine texture, and the dyeing is natural. The leaves and branches are flocked to simulate the real and natural flower shape, bringing the closest to natural experience. It is also decorated with ostrich feathers for a higher-end, high-quality, visual experience. The effect is more charming.

This artificial flowers for table decoration is paired with an electroplated metal frame, which is both artistic and practical. The combination of its unique design and metal frame injects a chic and modern feel into the desktop.

Not only can it beautify the space, but it also has a good decorative effect and is suitable for various occasions, such as conference tables, office desks, homes, etc.

The advantage of using this tabletop artificial flower arrangement is that it does not require special maintenance and is durable. It is an ideal choice to enhance the overall atmosphere of the tabletop.
